FAQ

1. Do I need a paystack account to use this add-on
ANSWER: Yes, go to **paystack.com** and create an account
2. Do I need perfex Crm to use it?
Yes. **This is not a standalone payment gateway module for Paystack, the module requires Perfex CRM application installed which can be purchased [here](#). Installation**
3. How do I get support?
Kindly contact us on Codecanyon or use our support form at <https://www.boxvibe.com/support>
Or send a mail to support@boxvibe.com
Thanks.

TROUBLESHOOTING

- To check what version you are using visit [click here](#).
- If any **css/js errors** outputted on developers console or tables are not loading **make sure you cleared your browser cache**.
- **If you are using your own themes/view files** e.g my_home.php **make sure to re-check them** in case you are getting blank pages because may happen some function changes and an error occur in your view file. **Try switching to the original files** to check if everything will work.
- Getting 500 error - open [support ticket](#) and we will be happy to assist you.
